- The unemployment insurance program in Indiana is administered by the Indiana Department of Workforce Development.
- Unemployment insurance is designed to provide temporary financial assistance to those who are unemployed through no fault of their own.
- Benefits are generally available for a maximum of 26 weeks out of any 52 week benefit period. However, during times of high unemployment, benefits may be extended for several additional weeks.
- Benefits are calculated as a percentage of the worker's income over a recent 52 week period.
- Benefits are subject to Federal income taxation.
